### **Students Development Center project**

#### **Monthly Report**

**Project Funded by:** AIMSINDIA Foundation, USA

**Project Implemented by:** Care Trust, Nagercoil

**Project no:** 1

**Reporting month:** December

**Reporting date:** 04/01/2015

**Project Title:** AIMS Students Development Center

**Aim of the Project:** Developing students skill

AIMS teachers are taking special care to improve educational skills of the poor students in their evening study centers as usual. Now we are working in 12 villages. Sixteen teachers and more than 400 students are benefited by AIMS INDIA. All the students come to this Centre all days without fail and regular to the Centre. The students come at 6 PM in the evening from Monday to Sunday. (Some centers off Saturday or Sunday). Our teachers had worked Twenty days in this month.

The children have done the below activities at the Centre.

- Completed their home works
- Clarifying their basic doubts on the aspects of all subjects
- General knowledge - quiz type of questions and answers (Saturday only)

We (Mr.Azath , Nasrin begam &I) I) had conducted the monthly planning meeting in azath home on 01-12-2014.In that day we had planned to conduct our work as usually. Because of half yearly examination we could not conduct any ecology training in

this month. Based upon our monthly planning, some special classes were conducted in our all Center to get high marks in the examination. We taught English grammar, science and mathematics in these classes. More than 500 students were attending in the classes. After the half yearly leave (from 24/12/2014 to 01/01/2015), we will continue our work in our center as well as possible.
